# LOGIN AS API USER

How can you normally use Salesforce but with a Salesforce API-only user?

1. Open Visual Studio Code
2. Press *Ctrl + Shift + P* > Select *SFDX: Authorize an Org*
3. Select the appropriate login URL and Alias, when a browser opens a new tab, then enter credentials for API Only User
4. Once completed click on the "Open Org" button or type one of the commands

```
sfdx force:org:open
sf org open
```

5. Voilà la - you are logged in to Salesforce UI as an API-only user
